# EfVET, MISSION AND VISION

**Founded** in 1991, in the Netherlands, as a response to the lack of voice felt by VET providers with the main purpose of **building a network of practitioners VET institutions** to secure a voice across Europe in both policy-making and practice arenas.

Our **mission** is to To enhance VET provision across all members through an active networking of all the key actors. To create the capacity to influence policy at European and National level.

Our **vision** EfVET aspires to become a leading contributor to the enhancement of VET in Europe.
